Acknowledgement

I would like to express my gratitude and appreciation to all who gave me the possibility to complete this project.

Also, I take this opportunity to express my deep sense of gratitude to my Web Development Teacher Mr Joy Samadder under whose valuable guidance, this project work has been carried out.

I would like to extend my special thanks to my parents & friends, without their support and coordination we would not have been able to complete this project.

Thanking You

Yours Obedient

Bhuban Mondal

<h3>RED DEAD REDEMPTION 2</h3>

<h5>Open World, Action-adventure November 7, 2022</h5>

</div>

<div class="w3-container">

<p>Red Dead Redemption 2 is a 2018 action-adventure game developed and published by Rockstar Games. The game is the third entry in the Red Dead series and a prequel to the 2010 game Red Dead Redemption. The story is set in 1899 and follows the exploits of outlaw Arthur Morgan, a member of the Van der Linde gang, in a fictionalized representation of the Western, Midwestern, and Southern United States. Arthur must deal with the decline of the Wild West whilst attempting to survive against government forces, rival gangs, and other adversaries. The game's epilogue follows fellow gang member John Marston, the protagonist of Red Dead Redemption.</p>

<h3>GOD OF WAR</h3>

<h5>Action-adventure game, Role-playing November 2, 2022</h5>

</div>

<div class="w3-container">

<p>God of War is an action-adventure game franchise created by David Jaffe at Sony's Santa Monica Studio. It began in 2005 on the PlayStation 2 (PS2) video game console and has become a flagship series for PlayStation, consisting of nine installments across multiple platforms. Based on ancient mythologies, the story follows Kratos, a Spartan warrior and later the Greek God of War, who was tricked into killing his family by his former master, the original Greek God of War Ares. This sets off a series of events that leads to wars with the different mythological pantheons. The Greek-based games see Kratos follow a path of vengeance due to the machinations of the Olympian gods, while the Norse-based games, which introduces his son Atreus as a secondary protagonist, shows Kratos on a path of redemption and inadvertently coming into conflict with the Norse gods.</p>

(iii) Conclusion

Video games are a form of media that is often associated with negative health consequences. However, when games are played in moderation and with mindfulness, they are a viable source of stress relief as well as a catalyst for mental health improvement and development of social skills.
